EVERY SMALL BUSINESS CEO'S BEST KEPT SECRET

HEAD TO @KINZIEMADSEN ON IG FOR MORE DETAILS

Letter from the editor

As a freelance designer turned business coach I have gotten the opportunity to see the behind the scenes of thousands of small businesses. As the holiday season was approaching, and I started making my lists of gifts for friends and family, I had this thought that I wanted to shop as small as I could this season.

Seeing behind the scenes of so many businesses has made me realize how truly meaningful a purchase it is to a small business. Instead of it just being another amazon order out of the millions they get, your purchase is helping fund someone else's dream. That magic goes a long way.

I've also realized, as me and my friends have gotten older, the best gifts aren't the most expensive gifts. It's the gifts that feel super personal and well thought out.

Putting together this gift guide I hope it gives you some new businesses to shop with and some fun ideas for those that mean the most to you.

Inside these pages are people from my community, shops my community recommended, and some of my favorite small shops I'm purchasing from often.

Happy shopping! The shop instagram handle is above each photo which then you can use to navigate to their shop.

xx, Kinzie
